Testimonial

This is to state that Anandan, POSH Trainer has conducted the following "Program" for our Organization

Periodical Awareness Program on POSH, for Senior Management Professionals/ Operations Managers of M/s. Sumeet Urban Services (Chennai) Pvt Ltd., on 16th October 2021

The Total duration of the program is 2 hours.

The Presentation was Highly Interactive and the power point presentations were informative and brought out the essence of the Legislation.

The case studies discussed & the interactions with our Employees were also enlightening. We are delighted with the way the Awareness was created and the objective of "**Having Safe Working Place for All Employees, exclusively for Women Employees**" was achieved.

On behalf of our Organization, I wish to convey my appreciations to Anandan for enlightening the entire team, who got cognizance of the following:

- Harassment / Victimization / Sexual Harassment
- Diversity and Inclusion
- Ensuring smooth workplaces for All to achieve Organizational Goal

Looking forward to more such sessions in the future.
